**Advt. No. WII/ADVT. 2/RP-CELL/ May, 2026**

**Online Application Open Date: 15 May, 2026**

**Online Application Close Date: 29 May, 2026**

Wildlife Institute of India (WII), an autonomous Institution under the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India, is an acclaimed Institution, which offers training program, academic courses and advisory in wildlife research and management. The institute is actively engaged in research and technical across the breadth of the country on biodiversity-related issues and other multidisciplinary areas. WII invites online applications from **INDIAN NATIONALS** to engage **38 different categories of positions** for various research projects.

Submit your **ONLINE APPLICATION-FORM** at the specific application portal, given in the link <https://wiirp.com/application.php> or obtain the link via scanning given QR Code. **No printed application copy will be considered.** For more details, may also visit Recruitments section of Wildlife Institute of India website <https://wii.gov.in/recruitments>. Applicants are advised to keep your all-scanned copies of certificates/documents related to Educational Qualification, Marksheets, Work Experience, Reserved Category, UGC/CSIR NET, Publications, any other Supporting Documents, Application Processing Fee Receipt, Passport Size Photo, Digital signature etc. ready in advance before filling the Online Application Form. The project details, along with position(s) which offers training program, academic courses and advisory in wildlife research and management to be engaged, EQ, DQ, Monthly Emoluments and other details of the advertised positions are given below:

| S. No. | Details of the Advertised Positions |   |
|--------|-------------------------------------|---|
| 01     | Project Title                       | Enhancing the functionality of the transboundary Kamdi-Suhelwa complex for the management of dispersing tiger populations, through a community-centered conservation approach   |
| 01 (1) | Position                            | Project Scientist – I (Ecology)   |
|        | No. of Position(s)                  | One (01)  |
|        | Monthly Emoluments                  | 77,000 + HRA  |
|        | Age Limit                           | 40 years  |
|        | Project Duration                    | One year (likely to be extended)  |
|        | Essential Qualification(s)          | Doctoral Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Forestry Sciences from a recognized institute/ University  |
|        | Desirable Qualification(s)          | Prior experience in ecological research, preferably focused on tiger and prey monitoring, human wildlife conflict mitigation, habitat management, and community livelihoods. Proven expertise in designing and leading ecological impact assessments, cumulative impact studies, biodiversity |

| S. No.        | Details of the Advertised Positions |   |
|---------------|-------------------------------------|---|
|               |                                     | monitoring protocols, and development of evidence-based mitigation and conservation strategies. Demonstrated experience in interdisciplinary biodiversity surveys and preparation of Human Wildlife Conflict Mitigation/Conservation Plans. Strong publication record in SCIindexed peer-reviewed journals on topics related to ecology, environmental flows, or impact assessment. Proficiency in advanced ecological study design, multivariate statistical analyses, ecological modelling (e.g., species distribution models, population viability analysis), and interpretation of complex ecological datasets.   |
|               | Description of Work                 | The Project Scientist will design the study along with the project team, implement various project activities, coordinate with the project team members and other stakeholder organisations, and ensure timely completion of all project deliverables and carrying out rigorous fieldwork in remote areas. The candidates will be required to conduct field research, analyse/ interpret data, and write reports/ manuscripts under the PI's guidance. The candidates must be motivated and self-driven, and be able to work in a team. The selected candidates should be able to work remote environmental conditions and stay for longer period in the field. The candidate will also be required to perform all other tasks as may be assigned by the PI.  |
| <b>01 (2)</b> | <b>Position</b>                     | <b>Project Associate II (Camera Trapping, M-STrIPES, HWC/Awareness)</b>   |
|               | No. of Position(s)                  | One (01)  |
|               | Monthly Emoluments                  | 42,000 + HRA (NET or GATE qualified candidates)<br>33,000 + HRA (For non-NET or GATE qualified candidates)  |
|               | Age Limit                           | 35 years  |
|               | Project Duration                    | One year (likely to be extended)  |
|               | Essential Qualification(s)          | Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/University <b>AND Two years of experience</b> (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services<br><br><b>OR</b><br>Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University <b>AND Two years of experience</b> (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services |
|               | Desirable Qualification(s)          | Prior research experience on large mammals. Proven ability to write scientific report. Data analysis skills in program R, GIS skills and exposure to biometry relevant for Biologists. Scientific publications on tiger/ wildlife research would be desirable   |
|               | Description of Work                 | Design and conduct field surveys, data collection, and analysis, and report preparation. Carry out the tiger, prey, and habitat monitoring work as per the approved work plan in Sohelwa WLS. Carrying out training for frontline staff patrol-based monitoring using M-STrIPES and camera trapping and prey monitoring. Supporting frontline staff to conduct regular patrol-based monitoring. Support the biological monitoring team to conduct tiger, prey, and habitat monitoring work as needed  |
| <b>01 (3)</b> | <b>Position</b>                     | <b>Project Associate II (Community Safeguard/ Livelihood)</b>   |

|               | Desirable Qualification(s)          | The post holder should have a degree (or equivalent professional qualification) in social science/development studies or a similar relevant field (e.g. international politics or political ecology) or relevant experience in implementing E&S safeguarding systems working with local actors. Prior experience creating working environments and cultures where everyone can feel safe, inclusive and embrace diversity. · Experience gained within local government, NGO and community sectors. · Experience organising community-led initiatives and a proven ability to build trust with local community groups, using cultural bridging and sensitivity.   |
|               | Description of Work                 | Conduct a rapid socio-economic survey in the project site and assess the level of human-wildlife conflict. Design and conduct field surveys, data collection, and analysis and preparation of the report. Experience of working on community mobilization, formation of groups and livelihood issues of local communities in the project site. Identify beneficiaries for different livelihood activities and mitigation measures. Conduct focus group interviews and in consultation, with target local communities, facilitate training in a suite of feasible, economically viable livelihood opportunities for communities' impact by the project and prepare technical reports. Conduct education and awareness program for increased awareness of wildlife among community members and educational institutions adjoining Nandhaur Landscape Support teams to build trusted relationships with community representatives, local leaders, partner NGOs and authorities to co-develop safe and inclusive approaches to conservation. Support teams to ensure communities are aware of their rights, IUCN safeguarding commitments, and how to safely raise concerns. |
| <b>01 (4)</b> | <b>Position</b>                     | <b>Administrative Assistant (Management/Finance/Admin)</b>   |
|               | No. of Position(s)                  | One (01)   |

4. Applicant shall also have to upload a copy of the Application Processing Fee(s) deposited in the above-mentioned account and upload receipt followed by the WII-RP Cell online application portal link <https://wiirp.com/application.php>. Failing to upload the same shall lead to rejection of the application. Application/ Processing Fee is non-refundable once paid, even if the application is later rejected/ not short-listed or the applicant withdraws their application.
5. **A candidate may apply for a maximum of two advertised positions with relevance to his/her academic education and, as per essential and desirable requisites of an advertised position(s).**
6. Candidate applying for more than one position shall have to submit separate online Application Forms along with the supporting documents and Application/Processing Fee for each position. Failing to this, the applications for which supporting documents are not attached will be rejected.
7. Candidate(s) presently working/engaged with any WII’s project or research activity or Ph.D. scholars must attach a recent “**NO OBJECTION CERTIFICATE**” (not more than one month older than last date of application) from their concerned Project Investigator/Supervisor/ Nodal Officer, as the case may be. Similarly, the candidate earlier worked at WII has to produce ‘No Dues’ certificate obtained from WII.

8. Shortlisting of applicants for online interview will be based on essential qualification, age limit, percentage of marks in Bachelor's/ Master's Degree, specialization relevance in Masters, research experience and (Publications- Paper published in journals, books Paper Presented in Workshops/ Seminars/ Symposiums/Conferences), as per WII rules.
9. The selection of short-listed candidates for online interview(s) shall be done for different positions as per criteria stated below:

| <b>5 Marks</b>   | <b>25 Marks</b>  | <b>10 Marks</b>                     | <b>10 Marks</b>  | <b>50 Marks</b>        |

10. Mere fulfilment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for an interview. The decision of the Institute in all matters relating to eligibility, acceptance, or rejection of the application and mode of selection will be final and binding on the candidates. No inquiry or correspondence will be entertained from individual or agency.
11. Based on the above stated screening criteria, top ten (10) short-listed candidates against each respective advertised project/position shall be called for interview(s).
12. A duly constituted Selection Committee will conduct the recruitment process.
13. Selected candidates must produce all original documents/certificates at the time of joining for necessary verification.
14. At the time of the verification of original documents or even after selection, if it is found that the applicant has attempted to wilfully conceal, misrepresent or canvass the facts, such applicant will not be considered for selection or terminated, and due action will be taken. Relaxation in the upper age limit shall be applicable in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No. 15012/2/2010- Estt. (D)dated 27.03.2012, as amended from time to time.  
As of now, the categories of upper-age relaxations are as follows:
  - a. Scheduled Castes and Scheduled Tribes up to 5 years.
  - b. Other Backward Class (OBC) up to 3 years.
15. The positions advertised are purely temporary basis for the project period as specified in the advertisement. These will stand abolished after the completion of the project.
16. Candidates not found suitable for a particular post as advertised may be considered for a position

at a lower grade as per recommendations of the Interview Committee. In this regard, recommendations/ approval of the Interview Committee shall be considered as final, with due approval of the competent authority.

17. The Institute's rules and regulations govern the project's tenure and code of conducts of the selected candidates.
18. Canvassing in any form is liable to rejection of the candidature
19. The list of shortlisted candidates for interview and the result of interview will be uploaded in “**Latest News & Announcements**” section of the Institute’s website <https://wii.gov.in/news> The selected candidates have to join the project position immediately within given duration given in the Offer Letter.
20. The Director, WII, reserves the right to reject any application/candidature with or without assigning any other reason(s), thereof.
